MAKE APPEAL FOR \$2,500 TO DRESS TOWN FOR HOLIDAYS

The Gettysburg Retail Merchants Association is seeking donations toward what it believes will be "the most beautiful Christmas decorations in the town's history."

R. K. Will, chairman of the Christmas Decorations Committee of the association, in sending out letters asking donations, said the merchants association has spent \$2,500 for new decorations and now is seeking donations in order to pay for the ornaments which will be placed in time to begin the Christmas season here on the day following Thanksgiving.

Will, and the remainder of his committee, Mares Sherman, Donald Hershey, Mrs. Glenn Guise, Fred Faber and Nicholas Melgakes, believe new decorations will halt what the merchants' president George Miller says has been "sharp criticism of the decorations in previous years. The decorations were necessarily scanty because of the few people who formerly contributed to this project."

Most Beautiful In Area

President Miller noted that donations toward the project during the last several years little more than paid for putting up and taking down the decorations, and the making of only necessary replacements.

In the letter sent by Will seeking donations, he said the \$2,500 spent is for "types of decorations to which we can add in forthcoming years." He said: "We feel sure that when the people of the town see the new decorations they will be delighted with them. They are also guaranteed to serve for several years, so we should in time be able to make Gettysburg truly the most beautifully decorated community in our area at Christmas."

Will said old decorations will also be used. Because of their nature the new decorations will go into the square while the best of the former decorations will be used to spread the decorative effect out from Lincoln Square.

400 TO COME HERE OCT. 24 FOR 'SHOOT'

More than 400 members of the North-South Skirmish Association will be here for a shoot October 24 and 25, Curvin Heiss, first sergeant of Company K, the local North-South Shoot unit, was informed at the national firing conducted by the group which recreates Civil War companies at Fort George G. Meade Sunday.

Heiss extended an invitation to a Gettysburg Invitational shoot, to be held at the Teeter's quarry under sponsorship of the local Travel Council and Company K. He said spot acceptances of invitations indicated more than 400 will be here, accompanied by wives and children.

The North-South Skirmish members also voted unanimously in favor of making Gettysburg the permanent headquarters of the association, if suitable farm land can be found in the area for the establishment of a sufficiently large range.

Board Meets Earlier

Members of the board of directors of the national group will meet here October 17 and 18 at a session in which plans will be discussed concerning a permanent range and assistance given in setting up the range at Teeter's quarry for the October 24-25 shoot.

Present plans call for firing of cannon, revolvers and carbines on Saturday, October 24, and for firing of muskets and demonstrations of cannon firing on October 25.

Gettysburg's Company K, at present a provisional member of the skirmish association, will come up for permanent membership at the directors' meeting here.

National officers of the shoot commended Company K for their firing skill, conduct on the line and marching ability at the Fort Meade shoot. Because of their provisional status the local members could win no awards, but participated in all activities and camped out over the weekend at the military reservation.

IF FIRE STRIKES

This is Fire Prevention Week, observed nationally to alert everyone to the perils and the heavy losses of needless blazes.

More than one-third of 11,000 persons killed by fire last year were children under 14 years of age. Many would have been saved had they been taught what to do in case of fire.

Here are four simple rules to teach your children, and heed yourself if fire ever strikes:

- Get out of the house.
- Call the fire department.
- Never try to put out a fire yourself, unless it's your own clothing.
- Never go back into a burning building for any reason.

COUNTY THIRD IN PRISONERS, 100,000 BASIS

HARRISBURG (AP) — Reports from the State Bureau of Corrections show that Adams County—42nd of the 67 counties in population—ranked third last year in the number of prisoners per 100,000 persons.

Although the county does not have 100,000 citizens, the bureau figured all of the counties on units of 100,000 persons in order to reach a ratio between the number of prisoners and the population.

Philadelphia, first in civilian and prison population, was far ahead with a rate of 289 prisoners out of every 100,000 population.

Dauphin with 182 per 100,000 is second and Adams was third with 156 per 100,000.

Philadelphia First

In actual number of prisoners in institutions as of Dec. 31, 1958, Philadelphia was first with 6,087, Allegheny second with 1,859, Delaware third with 681, Dauphin fourth with 376, and Erie fifth with 356.

John C. Yeager, director of research and statistics for the bureau, said the figures did not necessarily indicate a higher crime rate because several factors have to be taken into consideration.

Probationary services usually are not too extensive in the smaller counties, he said, and an offender's chances of being sentenced to jail is greater.

The figures are influenced by several other things, Yeager said, including the sentencing policies of the various judges.

On a statewide level, the bureau survey shows that there were 130 prisoners for each 100,000 Pennsylvanians.

R. J. MILLER, 81, DIES SATURDAY

Raymond Jacob Miller, 81, died Saturday evening at 8:10 o'clock at his home in Biglerville, where he had resided for the last 13 years, of the effects of a paralytic stroke suffered Friday evening.

A son of the late John W. and Beekie (Yohe) Miller, he was a native of Reading Twp., near Hampton, and was a farmer there for 43 years. He was a member of the Junior Order of United American Mechanics No. 695 at Hampton and St. John's Lutheran Church, Hampton, which he served for a number of years as a member of the church council and the cemetery board.

Surviving are his wife, the former Mamie Mary Schue; two daughters, Mrs. Elda Peters, Gettysburg R. 3, and Miss Alma Miller, Biglerville, special education teacher and secretary of the county council of churches, at home; a grandchild, Lynn Peters, Gettysburg R. 3; five stepgrandchildren and four stepgreat-grandchildren.

Dale Naugle, 34, Orrtanna R. 1, was charged by state police with passing at an intersection as the result of an accident on the Lincoln Highway, at Guilford Hills, near Chambersburg, at 12:45 Saturday morning. No one was injured.

The eastbound Naugle car, carrying state police, collided with the rear of the station wagon of James Miller Jr., 41, Chambersburg. Police said Naugle was attempting to pass the Miller car as it was negotiating a left turn into the Woodstock road. Damage to the Naugle car was set at \$600 and to the station wagon at \$500.

MRS. KAPP IS HONORED AT TESTIMONIAL

Maj. Gen. Charles Richards, Harrisburg, brought "personal greetings from the President of the United States" to Mrs. Sewell E. Kapp, Carlisle St., at a reception-dinner held in her honor Saturday night at the Hotel Gettysburg.

One hundred and seven attended the dinner held as a testimonial to Mrs. Kapp as president of the Pennsylvania Department of the Daughters of Union Veterans of the Civil War for her "outstanding services to the organization, to all of the Grand Army of the Republic affiliated organizations and to her community," according to the toastmaster, Chester S. Shriver.

Asserting that "our President is fighting another battle today—the battle against inflation, and at the same time is seeking to alleviate the Cold War and secure legislation to help promote the domestic good of our nation," General Richards recalled: "I was instructor in the Battle of Gettysburg for my fellow officers while stationed at Panama. The army places a premium on leadership, and Gettysburg has many examples to study."

Served Over Forty Years

"When we graduated from West Point President Eisenhower came here with the Tank Corps and it was at that time that Bess Kapp became known as leader among a group of young women from a Biglerville church who helped entertain the Tank Corps men at programs held in a church here. It was a patriotic service and Mrs. Kapp has performed a patriotic service ever since by her work in the GAR-affiliated organizations in keeping alive the memory of the men who fought for their nation in the Civil War."

"I am honored to bring to you tonight, Mrs. Kapp, as his personal representative, the special greeting of the President of the United States."

Tank Corps' Sweetheart

Frank Thomas, national commander of the World Wars Tank Corps Association, told the group: "Gettysburg is the shrine of the world and the shrine of all free people," in bringing greetings to Mrs. Kapp who, he said, had been voted "The sweetheart of the Tank Corps" (Continued On Page 3)

Society meetings are open to the public.

Plan Catholic Vets' Gathering

Further plans for the convention of the Pennsylvania Department of the Catholic War Veterans here next June were outlined Sunday evening at a meeting of the committee at the CWV home, Bonneauville.

Joseph Clabaugh, chairman of the state convention committee, presided. Preliminary plans were made for a service to be held at the Father Corby statue on the Battlefield honoring the chaplains who have served the armed forces in all wars and for a parade to be held in connection with the state convention.

Arthur J. Roth was named chairman of a yearbook committee which will put out the convention handbook.

GIVES OPINIONS IN 2 ESTATES IN COURT HERE

Most of the \$30,579.62 estate of the late C. B. Raffensperger, late of Gettysburg, will go to the Hoffman's Orphanage, between here and Littlestown, and the Masonic Home at Elizabethtown after the death of his aunt, Alveta Eicholtz, according to an opinion handed down by the Adams County court at its session in the courthouse this morning.

The opinion was one of two delivered by the court. The other distributed \$253.25 balance in the estate of the late John Raoul Gaston among 25 creditors who were owed \$3,793.51.

The court's decision in the distribution of the estate of C. B. Raffensperger came about as a result of exceptions to the report of the auditor who had held that the late Mr. Raffensperger, in giving his aunt use of his estate for as long as she lives, had meant that she could use the principal if need be. The court held that where the intent of the decedent is not known the law must follow the exact meaning of the words when technical terms having specific meanings are used.

Court Makes Ruling Raffensperger had stated in his will that the principal was to be paid to the Hoffman's Orphanage and the Masonic Home at Elizabethtown after the death of his aunt, Alveta Eicholtz, according to an opinion handed down by the Adams County court at its session in the courthouse this morning.

Although he remained calm on the surface, he had some baffling experiences a spelologist never would encounter in his favorite haunts. He stopped at a service station to buy gas and discovered he had his wallet but no cash. The service station and banks refused to cash a check so he wired his wife for money. Early in the afternoon he headed for home 100 miles away without finding the convention and to explain his lost weekend to his wife who had stayed home to run the cave.

Another Tuesday, Another Cash Award Sport Contest

The second in a series of weekly football contests, sponsored by the Gettysburg Times and local merchants, will be published Tuesday. Participating is easy and it is fun. What's more, it could be profitable! Cash prizes totalling \$25 are awarded weekly.

Here's all you do: Look over the full page of ads in Tuesday's edition of the Times. Notice that included in each ad are the names of two top football teams which are scheduled to meet this weekend and a number. Also on the page is an entry blank. All fans need to do is to fill in the comparable scores of the games next to the corresponding numbers.

Once this task is completed, pop the predictions into an envelope and shoot it off to the FOOTBALL CONTEST EDITOR, care of the Gettysburg Times, 18 Carlisle St. The forms must be mailed in order to reach the Times office not later than 5 p.m. Friday of each week.

So, get out the ol' crystal ball and get those predictions in. In may pay off. Remember, the first prize will be \$15, second prize \$5, and there will be five \$1 prizes. The decision of the judges in determining lucky winners will be final.

The contest is open to all accepting employees of the Gettysburg Times and their families. The winners in last week's contest will be published Tuesday.

Harry A. Brough, 86, died Saturday at his home in Latimore Twp., Sunday morning at 11:50 o'clock York Springs R. 1, of complications.

will: "I hereby will and bequeath the entire balance of my estate, both real and personal property, to my dear aunt, Alverta Eicholtz, for her use as long as she lives and after her death all the rest, residue and remainder of my estate I will and bequeath as follows. . . ." The court held that because of the words "residue and remainder," which are technical terms of definite meaning, they must be construed according to their legal meaning. As a result, the court directed that the distribution provide only for payment of income to Alverta Eicholtz during her lifetime.

In the Gaston estate the court held that since Gaston had died in 1953 and since no objections had been filed against the original distribution of sums on hand at that time, the present \$253 should be distributed according to the prior schedule.

A number of men appeared before the court this morning for failure to comply with support orders.

Accounts Approved

Among those before the court were James A. Wright, Nevin A. Wright and Burnell Groft, all of Hanover, who are to make regular payments on costs and restitution in connection with burglary and larceny charges. According to the amounts listed to the court James Wright owes \$175.39, Nevin Wright \$335.30 and Groft \$381.16.

Accounts approved and amounts scheduled for distribution were as follows: Bernard J. Wallach, executor of the will of Annie M. Wallach, late of McSherrystown, \$3,800; Regina C. Staub, executrix of the will of Augustus F. Robinson, late of Oxford Twp., \$768.39; The Gettysburg National Bank, executor of the estate of Daniel L. BULLETINS

(Continued From Page 1)

days ago by the explosion of an Atlas-Able moon rocket will be out of commission about five months, the Air Force Missile Test Center announced today.

The Atlas-Able, designed to hurl a 375-pound satellite around the moon early this month, blew up during a test of its engines, causing heavy damage to the pad.

The National Aeronautics and Space Administration is studying the possibility of using other facilities at the Cape for launching a similar rocket.

WASHINGTON (AP) — The Supreme Court reassembles today to open a new term that is certain to produce important decisions in the civil rights field.

Two pilot appeals directly affecting enforcement of the 1957 Civil Rights Act are among the more than 800 cases already entered on the court's unusually heavy docket.

Heading the civil rights cases is a Justice Department appeal from a decision by a federal judge in Georgia that a section of the 1957 act is unconstitutional. He said it is invalid because it gave the attorney general authority to seek injunctions not only against state officials but against private citizens as well.

HORSE SHOW SUNDAY

PROBE DEATH OF YOUTH, 12

TRENTON, N.J. (AP) — A 12-year-old boy from Leeds Point died today at Shore Memorial Hospital, Somers Point. Doctors were to make tests to determine whether encephalitis, polio or meningitis was the cause.

The boy, Richard Mooney, was admitted Saturday night. At that time his illness was described as suspected encephalitis.

Shortly after, Mayor Oscar Dutch of Galloway Township declared a state of emergency there. Leeds Point is in Galloway Township.

The disease, known as a type of sleeping sickness, is carried by the culiceta melanura mosquito, which transmits the virus from birds to horses and humans.

The disease is suspected in at least 28 cases, in New Jersey—18 of them fatal.

On Saturday, the State Health Department said it was hopeful the state had seen the worst of the outbreak. A heavy frost would end mosquito worries for this year and New Jersey normally experiences one before mid-October.

CLOSE VOTE IN BRITAIN SEEN

LONDON (AP)—Britain's Labor and Conservative parties roared into the final lap of their election battle today running neck and neck.

Public opinion polls showed the Laborites led by Hugh Gaitskell had dramatically closed the gap with Prime Minister Harold Macmillan's Conservatives, seeking a third term in the nationwide election of a House of Commons Thursday.

But with only three days to go, a massive and decisive block of voters appeared still undecided.

The Liberal News Chronicle's latest poll indicated the two major parties were each backed by 37½ per cent of the nation's 35,400,000 voters.

With the Liberal party supported by only 4 per cent, the poll showed a huge 20½ per cent had not made up their minds. But when these "don't knows" were asked which party they were more inclined to support, they put Labor ahead 42½ per cent to 41.

Budget Balancing Urged By Expert

HARRISBURG (AP)—A top administration fiscal officer declared today the Commonwealth would save millions of dollars a year by balancing its budget.

David R. Baldwin, Budget Secretary in Gov. Lawrence's cabinet, said failure to balance the budget means loss of millions of dollars in interest charges and expenses. The taxpayer foots the bill.

Baldwin explained why the governor is pressing so vigorously for a balanced budget.

"The reasons are definitely financial," Baldwin asserted. He said that technically the administration is constitutionally bound to limit its budget to estimated tax revenues.

and \$500 to the building. Police said Esser then backed his car out of the wreckage, returned to the highway and drove off. They brought a charge of hit and run driving against Esser before Justice of the Peace Warren T. Dunn, Cashtown.

Two Other Crashes

Troy Fitch, 38, Savannah, Ga., suffered a compound fracture of the right arm when a car in which he was an occupant went into a field between Biglerville and Arendtsville Saturday evening at 6:55 o'clock. He was treated at the Warner Hospital.

State police said Fitch was a passenger in a car operated by Charles Smith, 58, Gettysburg R. 3. Smith was traveling east on the Biglerville-Arendtsville Rd. when another eastbound auto attempted to pass him on a sharp curve. When another car appeared, headed west, the auto passing Smith veered sharply toward Smith's car, forcing it off the road and into the field. Damage to Smith's auto was estimated at \$150.

Damage totaled \$225 when two cars collided a tenth of a mile south of Gettysburg on the Taneytown Rd. Sunday afternoon at 3:35 o'clock. State police said Joseph E. Krichten, 50, Littlestown R. 1, was driving south when he was forced to halt by traffic ahead. Mary T. Weikert, 32, Main St., Fairfield, also traveling south, was unable to stop her car quickly enough and it struck the rear of the Krichten vehicle. Damage was estimated at \$200 to the Weikert auto and \$25 to Krichten's vehicle.

Corps' at its meeting six years ago because of her work during the period when Camp Colt was here.

Judge W. C. Sheely, the principal speaker at the testimonial, said: "We are proud of Bess (Kapp) for the leadership she has given. We are proud of all of the organization which have kept alive for nearly 100 years the memory of the Boys in Blue. That their memory is still bright and shining today is a credit to you and your leaders, such as Mrs. Kapp."

"We recall that since our nation was founded no more than 36 years have elapsed between wars. We wonder what the next 36 years will bring. We recall too that great civilizations have arisen, Egypt, Greece, Rome, and have fallen to dust. We know little of them today, but we must recall that they were people too, like ourselves, busy with their daily activities. We ask what happened to their great civilizations and we find that they were the works of man. The works of man pass away, only the works of God remain eternal. So long as we seek to work for God's kingdom, that long our civilization will endure."

Rev. Dr. H. W. Sternat, Biglerville, spoke of Mrs. Kapp's work in the church. Others to bring greetings included Mrs. Helen Hall, department president of the auxiliary of the Sons of Union Veterans; Mrs. Anna Miller, department president, Ladies of the Grand Army of the Republic; Mrs. Helen Bittenbender, department president, Woman's Relief Corps; Edwin Kramer, department commander of the Sons of Union Veterans, and C. LeRoy Stoudt, national chief of staff of the Sons of Union Veterans.

Special Music

Mrs. Amanda Walker, president of Solome M. Stewart Tent of the Daughters of Union Veterans of Gettysburg, of which Mrs. Kapp is founder, made the testimonial gift presentation. Heads of the four local GAR affiliated organizations presented flowers. Special gifts were presented by Mrs. Kapp's children and grandchildren.

MAKE APPEAL

for support: "The merchants, we feel, have been doing all they can in providing the \$700 or more needed merely to put up and take down the decorations and provide for their storage from year to year. But we believe also that everyone wishes Gettysburg to have decorations of which it can be proud. With this the home of the President of the United States not only are our own and the country's eyes upon what we do, but the whole world is interested. We feel that it is an obligation of every club, organization, business, industry and individual to contribute toward Christmas decorations. If they respond, Gettysburg can be truly proud of what it has placed as decorations. We are out on a limb with our present \$2,500 order and we hope that the public will support us on this. But we feel that the only way to break the impasse of ever diminishing Christmas decorations was to take the bold step, borrow the money, and put up something worthy of Gettysburg with the belief that Gettysburg will support us."

and her husband.

Chester S. Shriver, department secretary of the Sons of Union Veterans, was toastmaster. O. G. MacPherson, commanding officer of the Pennsylvania Brigade, Sons of Veterans Reserve gave the welcome. A Gettysburg High School alumni trio, and Mrs. George Fair and Mrs. Donald Bollinger presented songs. Dinner music was played by David Bushman, Arendtsville. Donald Bollinger accompanied Mrs. Bollinger and Mrs. Fair in their musical presentations.

The committee which arranged the reception included Chester S. Shriver, Arthur W. Warman, Mrs. Amanda Walker, Mrs. Regina Staley, Mrs. Sarah Keefe, Mrs. Kay Davies, Mrs. Maybelle McKenrick and Mrs. Marian Swisher. Jack Yocum, past department commander of the SUV, led group singing.

Three hundred and twenty-five Girl Scouts and their leaders attended the "Roundup Day" Saturday afternoon and evening at Camp Happy Valley, near Fairfield.

The Senior Scouts and their leaders who attended the National Senior Scout Round Up at Colorado Springs, Col., this summer, presented a "typical day at the roundup." The Scouts who attended the national event were Jane Crone, Sally Fox, Mary Ann Henninger, Brenda Hollinger, Ella Louise Moyer, Patricia Oyer and Janet Schwartz. Their leaders were Mrs. Carroll Arter and Miss Grace Myers.

The program opened with a flag ceremony followed by group singing led by Mrs. Donald Fair and Mary Ann Henninger.

Skit Presented

A skit concerning the parts played in the Battle of Gettysburg by Jennie Wade, Catherine and Elizabeth Thorn, "Ginny" Powers, John Burns and Father Cory, as presented by the Seniors at Colorado Springs, was portrayed. In the presentation of the skit Saturday Mary Irene Mayer and Mary Jane Dick also took part.

Louise Collins, who attended the 1956 Roundup in Detroit, Mich., directed games.

Following films shown by Mrs. Arter, the group visited a display of "swap articles" secured by the girls attending the Colorado Springs event. A number of the articles were obtained by the International Patrols at the roundup. The Senior scouts also had set up tents and kitchen equipment showing a typical camp site used by the patrols at Colorado Springs.

To close the program Patricia Oyer, who had served as patrol leader for the county group, placed a flag on the campfire in the hope that Girl Scouts and Guides around the world "may bring lasting peace by setting an example of friendship to all."

Others serving on the committee for Saturday's program, in addition to the Senior scouts, were Mrs. J. B. Collins, Mrs. Gordon Webster, Glenn Harner, C. William Zhea and M. Hardy Nichols.

ANNOUNCE NEW
LOAF OF BREAD

The Stroehmann Brothers Co., Harrisburg, bakers of Sunbeam Bread, have announced the installation of a new process which will produce bread freed of air holes, flour streaks and which will feature two extra slices per loaf.

The product, to be known as Stroehmann's Batter Whipped Sunbeam Bread, went onto the shelves of local merchants today. The batter-whipped process is the result of a high speed mixer which blends the dough in much the same way as a housewife would with an electric mixer. "The outcome of high speed batter-whipped dough is a bread with a silky, even texture," one official said.

The "batter-whipped" process is the result of lengthy experimentation by the Wallace and Tiernan Co., producers of baking equipment for commercial bakers. The late Dr. Joseph Baker, director of research at Wallace and Tiernan, who 20 years ago began and perfected the process, is credited with its success.

The entire batter-whipped process is automatic, and the loaf reaches the wrapping machines untouched by human hands. The formulation of each loaf is the same as that of conventional bread, except that greater control of ingredients and their combination is possible.

Directors of the bakery met with 75 members of the press and special guests Friday afternoon, including Parker Cunningham, manager of WGET and Carl A. Baum, advertising manager, The Gettysburg Times. The group was taken on a tour of the plant and the new facilities were explained.

Visiting Students
Robbed At Delone

Seven members of the Lancaster Catholic High School band and student body who attended Friday night's football game at Delone Catholic High School, McSherrystown, reported loss of money when two buses in which they had traveled were robbed while parked near the football field.

McSherrystown police said \$13 was involved, individual losses ranging from 50 cents to \$7. Five wallets were stolen and money removed from pockets of coats left in the bus while the students performed.

ONE HUNDRED YEARS AGO

Address Of Dr. S. S. Schmucker
At The Reunion Festival Of The
Alumni Of The Theological Seminary
And Of Pennsylvania College:
Respected Brethren and Friends! On this occasion I am irresistibly led back to bygone days; and the images which former times and events traced on my memories again pass in review before me. Thirty and three years have passed away since in obedience to the call of the General Synod I first repaired this village to commence the operations of a Theological Institution. Rev. Dr. B. Kurtz was unanimously designated as the proper individual to present our cause to the different Lutheran countries of Europe. After continuing his self-denying labor during two years, he returned richly laden having collected about \$12,000 in cash and two-thirds of our valuable Library, now numbering 18,500 volumes.
Three and thirty years ago there was not a single house or cabin to be seen on the whole Seminary Hill; now we behold the tasteful and stately Seminary edifice shielded by ornamental trees towering to the fourth story, with two Professors' houses and half a dozen private dwellings. At that time our denomination had but half a church, and that exclusively German; now we have two new and handsome English churches with an organization for German worship, whilst our German Reformed brethren, who purchased our interest in the old Church, have reared a new one in its stead.

Sickness At New Oxford: We regret to learn that there is still a great deal of sickness in New Oxford and neighborhood. It is confined principally to children and has proved fatal in several instances.

A number of adult persons are also prostrated, though their condition is not considered dangerous. Most of them are down with some fever of a typhoid nature. It is sincerely to be hoped that the sickness may abate soon.

SEVENTY-FIVE YEARS AGO
Sales: Amos Eckert last week purchased the Boyer property, on corner of center square and Chambersburg street for \$9,500. We understand he will tear down the frame building on the corner and rebuild a storeroom and dwelling.

Oliver F. Lerew has purchased the Galatin property, ork Springs for \$3,010.

Mr. E. J. Lawyer, as agent for the heirs of M. Grove, dec'd, sold at public sale on Wednesday the home farm of said decedent lying along the Hanover and Littlestown road, 1 mile from Littlestown, to Mr. Abraham G. Keagy, at \$228 per acre. The farm contains 40 acres, has excellent buildings and is one of the finest homes in that section.

Jacob Renoll, who recently purchased the property of Aaron Jacobs, in East Berlin, sold the homestead and smith shop (reserving two acres of ground on which there are at least 4 excellent building lots) to Jacob Wehler, for \$2,050.

Church Improvement: The work on the Presbyterian church in this place is rapidly approaching completion. The painters and frescoers will finish up in a week or two and the church will be ready for occupancy about the 1st of November. Large twin windows, with circular tops and stained glass have been substituted for the old windows. The gallery on the west end has been removed while at the east end an arched pulpit recess has been built, with a smaller arched recess to the left for the choir and a room on the right communicating with the lecture room.

The side pews have been re-set leaving aisles between them and the walls. The ceiling is neatly frescoed in colors while the side walls are painted in cold gray color except the lower four feet, which are in oil and darker. The pews and woodwork will be in

Today's Talk

OUR LOVED AND LOST
Birth is a miracle — and perhaps death as well. This we know — that each unites the other.

Our loved and lost, in themselves, furnish the perfect picture of a life. One the beginning, the other the earthly ending. Mystery binds them fast together. We bow our heads to both, for each is a segment of life which we each in time shall have experienced.

To whom can we turn for consolation and understanding? I believe that we never totally lose the memory of our loved and lost. Like the beauty of each springtime, that memory keeps returning to us, cleansing our minds and enriching the very earth that holds our absent beloved ones.

W. H. Hudson, in that tribute to life and death, in his beautiful essay on "The Return of the Chiff-Chaff," revealed many interesting, and basic, thoughts. I can quote but a few lines. He said: "As when the rain clouds disperse and the sun shines out once more, heaven and earth are filled with a chastened light, sweet to behold and very wonderful, so because of our lost ones, because of the old grief at their loss, the visible world is touched with a new light, a tenderness and grace and beauty not its own."

A hereafter life sounds so reasonable. Christ dealt with the fact again and again. He always admonished his hearers to have faith, and not to worry and be unhappy. He wanted people to serve others, for in so doing they served God, their Creator. He said that even the sparrow was important, and couldn't fall without His notice!

Just Folks

BACK TO SCHOOL
Little boy, you are going to school again,
And your face is sad and your step is slow,
And you say that you wish you could work with men;
But then, little fellow, you do not know.
You count it hard to be called from play;
As the school bell rings I can hear you sigh;
But little you know as you go your way
How speedily youth with its joys slip by.
That's the school bell ringing, and you are sad
As you near it calling for you once more;
But out there thousands would now be glad
Were it calling them to the schoolhouse door.
Out there today are the grown-up boys
Who are battle-scarred, weary and worn and wan,
And they hunger and yearn for the vanished joys—
The school boy joys that have come and gone.
So, little boy, as to school you go,
Make the most of the joys that are yours today;
For the years are swift and too soon you'll know
The cares of the world, and you'll long to play.
You'll hear the bell in the school tower ring,
And you'll see the little ones straggling by,
And your heart will burn like a red hot thing
As for joys departed you sit and sigh.

NADER TRIES SOMETHING NEW ON TV

HOLLYWOOD (AP) — "Most of the other new shows on TV this season are copies of the successful ones. At least we're trying something different."

This was George Nader's brave appraisal of his new series, "The Man and the Challenge," which appears on NBC Saturday nights. Judging from his rundown on it, I had to admit that it did sound different.

The man is Nader and the challenge is how far human capacity can be extended.

"I am a doctor working for a private agency that deals with government and industry. The organization is similar to one set up by the government after the last war. Officials were alarmed to find that Americans often did worse than citizens of underprivileged countries under trying circumstances, such as prisoner camps."

"My job in the series is to see how far human performance can be pushed. It's a scientific fact that we can accomplish more than we do if we use all of our resources. It's essential now that humans catch up with science, which has pushed far ahead. We've got machines now that could be operated by a single man if he had 23 fingers."

Did Ellery Queen
Nader delves into such things as the American astronauts are undergoing to prepare for space flight. He has also done stories concerning such earth-bound activities as bullfighting and skiing. The handsome actor has himself found out about human capabilities since departing movies for TV. Last year, he did 20 live hours as Ellery Queen.

"We never got our lines until two days before the show," he recalled. "The scripts were unplayable and the directors and actors had to work out the lines. If anybody had told me I could work that hard before I did it, I would have said they were crazy."

If it's coffee and toast for you, don't read on. But if you go for the hearty breakfast, how does this sound?

"Scalloped Chesapeake Bay oysters, Maryland ham, Brunswick stew (principal ingredient squirrel meat), sausage cakes, grits, Southern spoon bread, fried apple rings and fried green tomatoes."

That's the menu for the Maryland Hunt Breakfast which will be served Oct. 18 as part of the annual observance of Heritage Week in this colonial city.

WIMBLEDON, England (AP)—Henry George Wandesford Woodhead, 76, veteran newspaperman and correspondent in China, died Sept. 29 after a short illness. He was interned by the Japanese in 1941 and repatriated to England in 1942. In 1949 he became editor of the Far Eastern Trader, a foreign trade publication in New York. He retired two years ago to his native England.

CLERGY RAPS BAND ACTION

HARRISBURG (AP) — A group of Harrisburg area clergymen are protesting the Central Dauphin High School band's scheduled appearance at Philadelphia Eagle football games next month.

In a statement Friday, 24 ministers said they will denounce from their pulpits Sunday "any activities by the schools on Sundays because we believe that even one isolated exception may open the door to further such usage." The added:

Encroachment
"Just as the churches realize that they must not encroach upon the program of the schools, we feel the schools must realize that they must not encroach upon the program of the churches."

"As Christians we desire that there be no unnecessary commercial activity in our communities on Sundays, and are particularly offended when the schools engage in such activity."

The 120-member band played at one of the Eagles' home games last year and was invited to return this fall. Dr. Gwilym D. Davies, supervising principal, said the school board approved the second invitation during the summer.

KNOXVILLE, Tenn. (AP) — Sherlock Hope, veteran newspaperman for the Knoxville Journal, died Friday at the age of 54. Hope, who had worked for newspapers in Birmingham, Ala., Chattanooga, Tenn., and Gary, Ind., as well as the Journal, suffered an apparent heart attack.

Little Sparks Bullets To Easy 36-12 Triumph Over Drexel Saturday

Gettysburg College put together a strong passing attack, led by Earl Little, and a strong running attack, led by Eddie Lucas, to wallop the Drexel Dragons 36-12 Saturday afternoon in Philadelphia.

The Bullets' record now stands at 1-1 and they will venture to improve upon their win column when they entertain Lehigh next Saturday in the first home game of the season.

Earl Little, who was always a constant threat for Gettysburg High School in the South Penn conference, came into his own when he shattered the Drexel offense the first two times he handled the ball. Little was sent into the game midway through the first period with Gettysburg in possession of the ball. On his first play he fired a 38-yard pass to right end Harry Richter for six points. Tom O'Malley booted the extra point.

Little's second passing attempt was good for another TD late in the second frame. The Gettysburg home-grown product connected with Buddy Goodman, Wilmington, Del., in the end zone for 30 yards. This time Little, after a bobble from center, skirted left end to add two extra points.

79-Yard Drive
Gettysburg tallied a first touchdown early in the first period. Starting on their own 21-yard line, the Bullets marched 79 yards capped by Eddie Lucas' 24-yard dash wide around right end for the score. Ed Books plunged over, after a fake kick, for the two extra points.

The Dragons came right back after the Bullets' initial tally with one of their own. On six plays, Coach Jack Hinkle's Dragons toted the ball 75 yards. The climax was a 20-yard romp off right end by sophomore halfback Jack Lewoc. Quarterback Jim Holden's pass attempt for the conversion was broken up.

At the end of the first half Gettysburg had built up a 23-6 lead and Coaches Gene Hummel and Howie Shoemaker began substituting freely throughout the remainder of the game.

Midway through the third quarter, the Bullets tucked away another six points. Tom O'Malley, Gettysburg's candidate for Little All-American, intercepted a Jim Holden pass on the home team's 12-yard line, raced to the eight, lateraled to fullback Rich Davidyock who carried the pigskin into the end zone. Little's placement attempt was wide and the Bullets led 29-6.

In the early part of the fourth frame the Dragons tallied their final touchdown. With the ball resting on the Gettysburg 27, second string quarterback Tony DiGiovacchino tossed an aerial to Lewoc, who in turn lateraled to halfback Frank Bell on the 20 from where Bell dashed across the goal line. This time Lewoc's running attempt for the extra point was stopped.

The final Gettysburg score came late in the final stanza when Eddie Books climaxed a 54-yard drive with a nine-yard pass to left end Chet Knight. Little booted the final conversion.

Pick Little, O'Malley
In the weekly ECAC press box poll, the sports writers and radio announcers selected Earl Little as the game's most outstanding back and also sophomore of the week. Little tossed two TD's, scored three extra points, intercepted a pass and handled the team like a veteran. Tom O'Malley, the Bullets' top notch center and a tough linebacker who also intercepted a pass which resulted in a score, was voted the game's top lineman.

NORTHWEST'N WINS AGAIN; IRISH TUMBLE

By ED ORRIGAN
Associated Press Sports Writer
The Cinderella kids from Northwest, riding the crest of a two-game winning streak and getting bolder every time they step on the field, could be heading straight for disaster.

Dick Thornton, star quarterback of the Wildcats, will be out six weeks with a fractured ankle suffered in last Saturday's 14-10 triumph over Iowa.

This Saturday, the Wildcats, long dormants of the Big Ten but now the proud favorites for the title, entertain Minnesota, 24-14 winner over Indiana last week.

Northwestern isn't the only Big Ten team looking for a replacement for one of its stars.

Purdue Loses Back
Purdue, one of the pre-season favorites for the league title, has lost Ross Fichtner, the quarterback who engineered two touchdowns in the Boilermakers' 28-7 rout of Notre Dame.

Fichtner suffered a shoulder bone fracture in the third quarter and will be lost for the season. This week Purdue takes on Wisconsin.

Just to show that the Big Ten isn't the only league that plays rockem-sockem football, ale has lost tackle Don Wall for the season. He broke his right hand in the Elis' 17-0 Ivy League victory over Brown.

LSU Tackles Miami
Just a notch above Northwestern in the top spot in last week's Associated Press poll, Louisiana State tackles Miami this week in a night game. This should be soft pickin' for the Bengals from the bayou, who knocked off Baylor, 22-0 last time out.

It appears that both LSU and Mississippi, No. 3 team in the country, will be concentrating strictly on their Oct. 31 date during the next three weeks. This could be the showdown battle for the championship of the tough Southeastern Conference, and the Sugar Bowl bid.

Ole Miss will be heavily favored over Vanderbilt this week after flexing its muscles at the expense of Memphis State, 43-0. Ole Miss has yet to be scored on.

Sooners Get Win
Army, No. 4 and reckoned to be the class of the East, came a cropper at the hands of Illinois, 20-14. The Cadets' game Saturday with Penn State could go a long way toward deciding the mythical Eastern title. The Nittany Lions tumbled Colgate, 58-20, last Saturday.

In the general shakeup of the top teams, Oklahoma and Auburn, who were left on the outside looking in after their defeats the previous week, made bids to get back in the select circle. The Sooners whipped Colorado, 42-12, for their 72nd straight Big Eight victory, while Auburn turned back Hardin-Simmons, 35-12.

Co-eds Lose To Temple Squad 6-1

The Gettysburg Girl's field hockey team dropped their initial game of the season to a powerful Temple outfit, 6-1, at Oak Lane Day School, Philadelphia, Saturday afternoon.

Canners Top Bubblers 18-6 Before Homecoming Crowd Of 2,000; 3rd Win

Biglerville High School's first football Homecoming Day was a huge success Saturday as the Canners put on a brilliant performance to defeat Boiling Springs 18-6 before 2,000 fans.

Jack Emanuel's Canners dominated play most of the way after getting off to a 6-0 lead in the opening period.

Boiling Springs received the opening kickoff and after moving to the Biglerville 40 was forced to punt, the Canners taking over on their 15 from where they marched 85 yards on 12 plays for a score, Vance Johnston crashing over from the two, Johnston's kick for the point was wide. The score came at 7:55 minutes of action.

Midway in the second quarter Boiling Springs threatened after recovering a fumble at midfield near the start of the frame. A Bubbler punt set the Canners back on their three. After failing to make any headway, Biglerville punted out to the 32. Led by Hal Enck and Jake Meals, the Bubblers picked up a first down on the 20 but the threat expired when Ronnie Wagner intercepted a pass for Biglerville on the 18.

Capitalize On Fumble
Both teams tallied in the third period. Biglerville scored first after Johnston pounced on a Bubbler fumble on the Boiling Springs 25.

The Canners at up the remaining distance in five plays, Howie Vines smacking over from the two. Again Johnston's boot for the point went wide.

Approximately three minutes later Boiling Springs chalked up its lone touchdown. After receiving the kickoff the Bubblers could make little headway. A punt followed and, after it was fumbled and eluded several plays, was eventually grabbed by Dick Kuhn on the Biglerville 34. On a reverse, Enck shot through the left side of the line and streaked the remaining distance to the goal. A kick for the point was wide.

One of the prettiest runs of the game produced Biglerville's final score midway in the last period. The Bubblers were forced to punt from deep within their own territory.

Jacoby Goes 48
Kermit Jacoby grabbed the ball on the Bubblers 48 and with the assist of several good blocks, sped into pay dirt. Again Johnston missed on his boot for the point.

The victory was the third straight for Biglerville who now sport a 3-1 record. Boiling Springs is 2-2.

Cumberland Friday will play at Biglerville Friday evening.

Nancy Shaffer Queen
During the half-time intermission Miss Nancy Shaffer, a senior at Biglerville High School, was introduced as the homecoming queen.

Her attendants were Jane Trostle and Pam Wolff, also seniors. Sharon Toofay represented Boiling Springs as an attendant. All were driven around the field in convertibles while the Biglerville band played appropriate music.

MANY UPSETS REGISTERED IN PRO PLAY

By MIKE RATHET
Associated Press Sports Writer
Using the mercurial Tommy McDonald as his chief executioner, Ol' Man Upset has completely scrambled the form sheet in the National Football League's two-week-old campaign.

The fleet - footed McDonald scored four times Sunday to lead Philadelphia's downtrodden Eagles to a methodical 49-21 demolishing of the Eastern Division champion New York Giants in a weekend crammed with upsets.

The 5-foot-10, 180-pound Oklahoma All-America caught passes of 55, 33 and 19 yards for touchdowns and sped 81 yards with a punt return for another TD in his most productive day of a three-year career.

Browns Top Cards
Jimmy Brown got the job done for Cleveland, carrying a near-record 37 times, gaining 147 yards and scoring twice as the Browns whacked the Chicago Cardinals 34-7. The Cards were last-minute picks as favorites.

Things were no different in the West, where Chicago's Bears bounced back from an opening game upset to upend NFL champion Baltimore 26-21 despite three TD passes by Colt quarterback Johnny Unitas.

Green Bay and San Francisco, generally figured to battle for last place in the West, wound up as the only undefeated teams. The Packers whipped Detroit 28-10 and the 49ers thumped highly rated Los Angeles 34-0.

Redskins Hustle
Washington responded to a tongue-lashing from Coach Mike Nixon for a 23-17 triumph over Pittsburgh.

McDonald, who caught six passes in all for 133 yards, began the Eagle romp by taking the first of two touchdowns passes from Norm Van Brocklin. Outgained over-all 333 to 299 by the Giants, Philadelphia broke it open with three third-period scores to hand New York its worst defeat since 1953.

Playing in a steady rain, Cleveland emphasized ball control, using Brown effectively while curtailing its passing game. Milt Plum managed to throw TD strikes of 36 yards to Bill Howton and 5 to Ray Renfro. The Cards scored in the third period on a King Hill one-yard sneak.

Colts Curtailed
Unitas, connecting for a touchdown in his 27th straight game, had three passes intercepted and they put the Bears in front to stay. Rickey Petibon lugged the first 33 yards for a score and the second by Eric Barnes set up a John Aveni field goal for a 9-0 lead. Unitas was unable to click until the fourth quarter when the Bears led 26-0.

Lamar McHan, picked up from the Cards on a trial basis, heaved four TD aerials—two to Max McGee for 41 and 36 yards—as the rejuvenated Packers doubled their entire 1958 victory output. Nick Pietrosante scored the first touchdown against Green Bay in two games on a plunge in the second period.

The 49ers showed a surprisingly strong running attack in handling the Rams—who never got beyond the San Francisco 29—their first shutout since 1949. J. D. Smith scored twice, on a 20-yard gallop and a one-yard dive. Joe Perry raced 32 yards for a 49er touchdown before A. Little closed it out with a 13-yard pitch to Billy Wilson.

Nixon Threatens
The entire Redskin team was fired up by Nixon, who warned 19 players before the Steeler game they would be finished with the Washington club unless they played "for their lives." Substitute quarterback Ralph Guglielmi threw touchdown strikes of 70 and 46 yards to Bill Anderson and Joe Walton, respectively, to turn the tide.

Dodgers, New Favorites To Win Series; Face Vet Early Wynn In 4th Game

LOS ANGELES (AP)—Chicago's go-go White Sox, still running, but running second, turned back to old guy Early Wynn for today's fourth World Series game against the Los Angeles Dodgers, who have a 2-1 edge.

GIANTS SUFFER WORST DEFEAT IN SEVEN YEARS

By RALPH BERNSTEIN
Associated Press Sports Writer
PHILADELPHIA (AP)—Tommy McDonald found a flaw in one of the National Football League's better defensive halfbacks and therein lies the tale of an upset.

Young McDonald, the former Oklahoma All - America, scored four touchdowns in Sunday's 49-21 thumping of the New York Giants by the Philadelphia Eagles. It was the worst defeat in seven years.

Three of McDonald's TDs were on passes, and on two of them he faked defensive halfback London Crow out of his shoes. What magic did the 25-year-old speedster perform on the usually reliable Crow?

Noticed His Feet
"I noticed," said Tommy, "that Crow was crossing his feet giving away which direction he was going. I simply turned and ran the other way and he lost time trying to turn around and follow me."

Simple, eh, Watson. You could have fooled the 27,023 fans at Franklin Field who saw McDonald catch TD aerials of 33 and 55 yards from quarter back Norman Van Brocklin, and 19 yards from second string passer, Sonny Jurgensen. On the Van Brocklin heaves, Crow might just as well have been sitting in the stands. Tommy also ran back a punt 81 yards for a score.

The veteran Van Brocklin, one of the NFL's all time great passers, commented:
"You have to give this kid all the credit in the world. He's living proof that the best defensive back in the world can't stop a great pass receiver. A great defender can be beaten by a great winger."

The Dodgers, now 2-1 favorites to win the world championship after taking Sunday's game 3-1 before a series record crowd of 92,294, are favored at 6-5 for the fourth game behind Roger Craig, the right-hander Wynn beat 11-0 in the opener at Chicago.

Wynn, who had to leave in the eighth inning of that game when his elbow stiffened, is one of the toughest clutch pitchers in the business. He's the right-hander even New York Yankee manager Casey Stengel "would have to pitch if I wanted to win one game."

Sox Blew Chances
And that's what the Sox need after blowing chances in every inning Sunday against winner Don Drysdale and reliever Larry Sherry, who put away his second straight series save.

Only two clubs — the 1925 Pittsburghs against Washington, and last year's Yankees against Milwaukee — ever have become world champions after losing three of the first four in a seven-game series. That's the task the Sox would face with another loss today.

"I still think we gotta helluva chance," said manager Al Lopez. "We've been doing things the hard way all year on this club, and we might as well end it that way."

Stole One Base
Lopez shrugged when asked whether he still intends to try going in this park. Balls hit off the nearby left field screen plunge frighteningly fast into the fielder's glove. The White Sox, warned that the Dodgers throw out quite a few runners at second here, didn't try for doubles on shots to the screen.

"We didn't run any different Sunday than we always do," said Lopez, whose Sox have stolen just one base in four tries against Dodger catcher John Roseboro. That lone steal came in Sunday's first inning. Jim Landis slid into second without drawing a throw from Roseboro, who was watching Nellie Fox, the runner at third.

One-Hitter For Six Innings
The Dodgers are 3-3 in steal attempts against Chicago catcher Sherm Lollar, but didn't try any Sunday.

"That Roseboro's okay," said Lopez, "but we got some catchers who can throw in our league, too." Dodger manager Walt Alston, who before the series compared Roseboro potentially with ex-great Roy Campanella, said "We never had worries about his arm. It was his work as a catcher and hitter that worried us when he had to step in for Campy."

There was no base-running gimmick involved in Sunday's decisive seventh inning. Blanked on one hit for six, the Dodgers got rid of loser Dick Donovan on Charlie Neal's single and a pair of two-out walks that loaded the bases. Then they broke the shut-out on Carl Furillo's pinch single, off reliever Gerry Staley, that bounced over shortstop Luis Aparicio's glove.

Dozen Sox Hits
The Sox, who waited 40 years to get into a World Series, had a dozen hits — all singles, at least one in every inning — and left 11 men on base. Los Angeles had only five hits, putting only one off the screen while the Sox plunked five into it.

The first series game ever played on the West Coast rang up a record \$549,071 in receipts at the Coliseum.

The old one-game attendance record was 86,288, at Cleveland in the Indians' 1948 series against Boston's Braves. The single-game receipts record was \$480,085.64 when the New York Giants, who swept the series, were at Cleveland in 1954.

Money Pool Rises
Third game totals upped the money in the players' pool to \$611,096.86. While the players knocked the Coliseum as a ballpark, it takes no rap as a concrete cash box.

By matching Sunday's take, \$280,026.67, this will be the jolliest player pool and the richest series from any angle. The pool now shimmers at \$611,096.86. The record, set in 1954's four-game series, is \$881,763.72.

TANEYTOWN 9 WINS OPENER

A pair of runs in the top of the eighth inning which broke a 1-1 tie gave Taneytown a 3-1 victory over Fairfield in the opening game of the best-of-three series for the playoff championship of the Pen Mar Baseball League Sunday afternoon at Fairfield.

The second game of the series will be played at Taneytown next Sunday.

Taneytown scored a run in the fifth when Bob Weaver, pitcher, doubled home a runner. Fairfield got its lone tally in the seventh via a pair of hits and a Taneytown miscue.

A pair of safeties and a Fairfield error produced Taneytown's runs in the eighth.

MILLERS KNOT LITTLE SERIES

HAVANA (AP) — Left-hander Tom Borland is Manager Gene Mauch's pitching choice tonight as the comebacking Minneapolis Millers try to cap an 11th hour rally with their second straight Little World Series championship.

The Millers, playoff champions of the American Assn., squared the best of - seven series with Havana's International League playoff kings at three games apiece, 5-3 last night. A four-run burst in the third inning did the job for the Millers, who trailed the Cubans 3-1 in games little more than 48 hours ago.

Now it's up to Borland to try to complete the job. The Cubans will counter with right-hander Ted Wiedand in the showdown, expected to draw about 10,000 fans, including Prime Minister Fidel Castro.

Score by innings:
Taneytown — 000 010 020—3-5-1
Fairfield — 000 000 100—1-6

Now exclusive miracle mixer brings you really better bread!

NEW, IMPROVED STROEHMANN SUNBEAM NOW BATTER WHIPPED

Why we took the secret from your own kitchen

You know that mixing at high speed, rather than by hand, turns out far better whipped cream. So we perfected the same high-speed method for making Batter Whipped Stroehmann Sunbeam Bread. No more beating mountains of dough the slow, old-fashioned way! New Stroehmann is whipped like cream. The result is truly new and better bread.

Mixing in small batches—the key to smoothness

The batter is whipped a little at a time—as you would in your own kitchen. That's the best way to get the extra smoothness so essential to eating enjoyment. Regular bread mixed a ton at a time can't compare with new Batter Whipped Stroehmann Sunbeam for uniform texture, flavor and lasting freshness.

Miracle mixer blends perfectly to bring out flavor

Our exclusive mixer mellows the batter more thoroughly and quickly than under regular mixing conditions. The fine ingredients are blended into a completely uniform mixture. You know how much thorough mixing adds to food flavor and goodness. See the difference yourself! Taste that delicious Stroehmann flavor!

COMPARE

with ordinary bread

SEE, FEEL, TASTE THE DIFFERENCE

Vet's Search For Gold Is Thwarted

FT. HUACHUCA, Ariz. (AP) — The Army has thwarted a disabled war veteran's search for 2½ tons of gold he claims is buried in a man-made cavern beneath Huachuca Canyon.

But Robert Jones, 45, of Dallas, Tex., will leave soon for Washington to ask federal permission to try once again for the hidden fortune.

The treasure hunt was halted Friday by Col. Elbridge Bacon, post inspector general, after an Army team, digging in the canyon for two weeks, failed to find the cavern. The search cost \$1,100.

Jones said he fell down a partially concealed shaft into the cavern while stationed at Ft. Huachuca in June 1941. He said he saw more than 100 bars of gold stacked against one wall.

The war, years in veterans hospitals, financial difficulties and illness caused 18 years to pass before Jones could return to the canyon.

7 NEW SHOWS HAD PREMIERS OVER WEEKEND

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP) — Television provided us with a heady weekend — everything from the World Series to premieres of seven new shows. All along the line were old favorites returning from vacation, among them Dinah Shore and Jack Benny.

Star of the weekend, of course, was the World Series. I may not know much about baseball, but I do know that, on my color set, the grass in the Los Angeles Coliseum looks very dry and those knee pads the catchers wear are a lovely shade of hot pink.

Dinah Shore came back to NBC, bringing along Groucho Marx, Gwen Verdon and Ingemar Johansson. Dinah looked great, wore some wondrous gowns and sang with charm and grace. Groucho was his usual insulting self; Gwen Verdon didn't have much of a chance to dance but Ingemar sang two Swedish songs.

Benny Bounces Back
Jack Benny bounced back on CBS with his regulars in one of those classic programs — Jack with his slow talks, Don Wilson dressed in a ridiculous costume and Dennis Day and Rochester setting up the nice familiar jokes about age and miserliness.

The second half of "What Makes Sammy Run?" on NBC maintained the same high standards of excellence as the first. But somehow the punch and taste of the first show were missing. Maybe it was the week between the installments. More likely, I think,

was that nothing much new was added in the second half. Sammy was established as a complete heel in the first half and in the second show he just continued to be one.

Art Carney, alas, did not fare very well in the first of NBC's Friday night specials, even with help from Herminone Gingold and Edie Adams. The comedy sketches just weren't very funny.

Other Beginners
ABC had a couple of new shows starting Sunday, too. "The Rebel" is another Western. It stars Nick Adams, a young actor who gives the show a certain zing. Partly because the hero, a Confederate army veteran, sports an accent which is pure Brooklyn.

The other ABC show is "The Alaskans" — a solid hour concerned with sled dogs, snow and gold. But it's hard to tell the good guys from the bad guys by their parkas.

"Five Fingers" is a new NBC Saturday series, this one about international espionage. It is about par for the spy course, but just about the only way I could tell that I wasn't watching an old B movie was the slim lapels on the suit of the hero.

"Dennis the Menace," a new CBS series taken from a comic strip, concerns a fiend of a little boy and is pleasant if that sort of thing amuses you.

DOUBLE REACTOR TESTS
PITTSBURGH (AP) — Westinghouse Electric Corp. today announced an expansion program designed to double the capacity of the Westinghouse Reactor Evaluation Center near Walt Mill, Pa. The Evaluation center was built to test nuclear properties of reactor cores and to obtain data essential to core development and design. It went into operation in December, 1957.

ADVERTISE IN THE TIMES

Speeding Police Car Kills Woman

NEW KENSINGTON, Pa. (AP) — A state police patrol car pursuing a speeding motorist swerved across the medial strip of the Pennsylvania Turnpike and crashed into another auto Saturday, killing a woman and injuring two men.

Killed was Mrs. Joseph F. Thomann of Silver Spring, Md. Her husband was detained at Citizens General Hospital here with cuts and bruises.

Trooper James W. Deffenbaugh, 30, was reported in serious condition today at the same hospital.

Deffenbaugh, a native of Uniontown, is assigned to the Gibsonia state police turnpike detail.

State police said the trooper was chasing another car when an auto forced his car across the center strip into the path of the third auto. The accident happened about three miles west of the Butler Valley Interchange.

LEOPOLD SUES FOR \$1,405,000

CHICAGO (AP) — Nathan Leopold, now on parole for his part in the slaying of Bobby Franks, is seeking \$1,405,000 in damages, charging that the book and movie "Compulsion" invaded his privacy.

In a suit filed Friday in Circuit Court, Leopold named 57 defendants, including book author Meyer Levin.

Leopold's suit, filed by his attorney Elmer Gertz, alleged that in the book Levin identified Leopold in the public mind as the chief character, Judd Steiner.

Leopold, 55, was freed from Stateville prison on parole in 1958. He and Richard Loeb were convicted of the 1924 so-called thrill slaying of 14-year-old Bobby Franks on Chicago's south side. Loeb was slain in prison.

To Head Research At Penn State U.

UNIVERSITY PARK, Pa. (AP) — Pennsylvania State University has named Dr. Elbert F. Osborn vice president in charge of its eight million dollar research program.

He was named Saturday to succeed Dr. M. A. Farrell who, when he was appointed in 1957, asked that he serve no more than two years.

Dr. Farrell will continue as director of the university's agriculture experiment station. Dr. O. Frank Tuttle, professor of geochemistry, will succeed Dr. Osborn as dean of the college of mineral industries.

The United States is preparing to establish an embassy in Nepal, in the Himalaya highlands between Tibet and India.
